Use Prefix 'T' for Teak Finish
Use Prefix 'B' for Black Finish

THE

HADLEIGH

RANGE

The sophistication of the Hadleigh range appeals to those for whom quality furniture is a lasting pleasure.

The richly polished mahogany colour of the wood is enhanced by the toughened bronze glass top, edged with a gold coloured trim. The shelf has an attractive weave effect finish and all joints are morticed and tenoned. The range is also available in teak and black.
